Hethel Lotus Festival

Lotus Test Track, Hethel, Sunday 14th April 2024

This event is a venture between two organisations sharing a Hertfordshire heritage: Lotus Cars founded in 1948 by Colin Chapman (manufacturing in Cheshunt), plus the Herts County Auto & Aero Club founded in 1903.

Our course will cover 1.66 miles on the Lotus test track at Hethel. This provides a fast and well-maintained tarmac surface and challenging bends, designed to explore the handling extremes of cars developed by Lotus themselves. The venue offers permanent barriers and other safety features, with paddock facilities currently under reconstruction.

Overnight camping is not permitted on site or on Potash Lane, but you are welcome to contact the event secretary for information about alternative camping arrangements and nearby hotel accommodation. Trailers with competition cars may be left on the main car park from Saturday, entirely at the owner's risk.

Opportunities this year include electric/hybrid cars, plus categories for new and younger drivers.

If you cannot compete, how about marshalling? As spectators will be restricted, marshalling can be a good way to enjoy the sport. All marshals signing online will be emailed a personal lunch voucher and be entered into our generous cash prize draw. No experience is necessary. If you are interested, please contact David Gibbs 07850 736630.

Dogs and drones are not permitted at this meeting

Lotus Motor Club (LMC) was founded in 1997 by Lotus Cars employees with an interest in motorsport and specifically sprinting, using the on-site test track. Today LMC has over two hundred members, including many former Lotus employees who maintain their link to the Marque via the club. The Hethel Sprint has grown to become a regional and club championship event.

ABOUT LOTUS:

Group Lotus is part of Geely Automotive, the fastest growing automotive group in the world. Geely has a 51% controlling stake, with 49% owned by Etika Automotive, a Malaysian conglomerate.

Lotus Cars manufactures world-class high-performance Elise/Exige/Evora sports cars, plus new Emira and Evija (all-electric British hyper-car).

Lotus Engineering provides a comprehensive consultancy service, working with many of the world's OEM and Tier 1 suppliers. It is internationally recognised for its long-standing contribution to ground-breaking automotive engineering and vehicle development.

A socially-minded standard of behaviour is expected from everyone within the motorsport community.

By participating in a Motorsport UK event in any capacity, you agree to follow the values of the Respect Code.

RESPECT
FAIR PLAY
INTEGRITY
SELF-CONTROL
GOOD MANNERS

I pledge to #RaceWithRespect and:

Contribute to a welcoming and friendly environment that ensures the safety and welfare of all participants

Always behave with integrity and uphold fairness in the sport; playing a part in keeping the sport safe through my actions

Treat everyone with respect, regardless of their gender, ethnic or social background, language, religious beliefs, disability, sexual identity or other status

Recognise that we all represent the sport and therefore have a duty to be polite and respectful to all staff, officials, fellow competitors, volunteers, as well as fans and supporters

Respect the rules, regulations and authority of the officials and Motorsport UK.

Any breach of these obligations may result in disciplinary action.

[#RaceWithRespect](https://twitter.com/RaceWithRespect)

Group Lotus strictly prohibits the use of stills cameras, on-board video cameras and smart phones in camera mode. We would appreciate the co-operation of all competitors and their support personnel to abide by that ruling to safeguard this venue for the future. Failure to comply will cause automatic exclusion from the event and venue. An appointed official photographer will publish photos online for competitors.

Hethel Lotus Festival

Lotus Test Track, Hethel, Sunday 14th April 2024

SUPPLEMENTARY REGULATIONS

1. Herts County Auto & Aero Club will organise an Interclub Permit Sprint promoted by the Lotus Motor Club on Sunday, 14th April 2024 at the Lotus Group Test Track at Hethel, Nr. Wymondham, Norfolk, NR14 8EZ.
2. The meeting will be held under the General Regulations of Motorsport UK (incorporating the provisions of the International Sporting Code of the FIA), these supplementary regulations, and any other written instructions that the organisers may issue for the event.
3. Motorsport UK Interclub Permit No: **133352**
4. The event is open to all fully elected members of the organising clubs, members of all clubs affiliated to the ACSMC, AEMC & AEMC regional associations, Hill Climb & Sprint Assn, plus members of these invited clubs: Anglia Motor Sport Club, BARC (Midlands), Brighton & Hove MC, Borough 19 MC, Classic Marques, 750 MC, Farnborough DMC, Harrow CC, Peterborough MC, Tunbridge Wells MC, TR Register, Woolbridge MC, Nottingham SCC, Ginetta OC, Austin Healey Club, Morgan Sports CC, RSSOC, VSCC, TVR & all Lotus car clubs.
5. The event is a round of the following sprint championships:
key.guru AEMC & AEMC Speed Championship, ACSMC Sprint Championship, BARC Midlands, Borough 19 Speed, 70Oaks Speed League, TWMC All Circuits Sprint, Ginetta OC, MSCC, RSSOC Speed, TR Register, Lotus Cup UK Speed plus the Caterham & Lotus 7 Club Speed Championships.
6. LICENCES:
Competitors must produce a valid 2024 Competition Licence, Club Membership card and proof of Championship Registration. Competitors wishing to upgrade competition licences must use the Upgrade System (completed, with photo) on the Motorsport UK web site.
To compete in a Racing or Sports Libre Car built after 1960 of more than 2000cc (or 1428cc with forced induction), the driver must hold an RS National or Race National licence (H17.1), unless the car is licensed for the public highway and competes in a road-legal condition.
Disqualification from holding or obtaining a driving licence under the Road Traffic Acts following conviction for offences under that legislation is incompatible with holding an ASN Competition Licence. MSUK confirms that the following applies:
 1. The licences of all persons so disqualified under the RTA are hereby withdrawn pursuant to NCR Chapter H. Art. 3.1.2 and
 2. The fact of RTA disqualification must be voluntarily immediately reported to the Licensing Department of the ASN and
 3. Failure to self-report is a breach of the National Competition Rules ('NCR') under Chapter C Articles 1.1.2 (b) and 1.1.3 and 1.1.4 and will result in an automatic referral to the independent National Court by the Disciplinary Officer with interim suspension under Chapter A. Arts. 2.2.1.3 and 2.2.1.4 and the penalty may be to double the period of suspension and
 4. The consequence of the RTA disqualification is that the right to be granted and or to hold a Competition Licence under the NCR shall be automatically suspended from the date of that disqualification and that suspension shall expire on the same date as the entitlement to hold an RTA Licence is restored.
7. TIMETABLE for the meeting will be:
06:30 hours, Factory Gates Open.
07:00 hours, Electronic signing-on, Scrutineering begins (*numerical order, in collecting area or bays Class C&D*).
08:30 hours, Drivers Briefing.
08:50 hours, Marshals to be ready at their posts, with a radio check.
09:00 hours, Practice Runs (one per driver) commence.

After the completion of practice, the **first** timed competition run will start.
After a lunch break, the **second**, **third** and **fourth** timed competition runs will start (time and weather permitting).
There may be further timed runs, which will not be scored if any drivers are unable to finish before 17:30 hours.
Competitors will be allowed to walk or pedal-cycle the course prior to 08:30 hours.

Venue damage. *The competitor is responsible for full reimbursement of any costs incurred in repairing damage caused to the venue. For example, if you have a puncture or spillage anywhere on the tarmac, DO NOT CONTINUE: please stop immediately for recovery. Offenders may be called to the Clerk of the Course and reported to Motorsport UK.*

Appendix 1 (*Two-seater road-going kit-type and replica cars*)

Caterham, Westfield, Sylva, Fisher, Lotus 7, Elise, Exige, 340R, Vauxhall 220, X- Bow and similar derivatives.

Appendix 2 (*Standard Cars*)

Defined in S11.1 Applies to those cars made after 01/01/2000.

Appendix 3

Formula Ford racing cars using Kent, Zetec or Duratec engines. All vehicles must comply with the appropriate Formula Ford technical regulations approved by Motorsport UK for that particular car and year of production.

Cars must be taxed, insured and MOT tested (where necessary), and road legal in all respects.

Documentation must be supplied online to verify this. Vehicles in category E or F that are not road legal (if allowed by the appropriate marque championship) will require a Motorsport UK Log book.

ENGINES: Forced induction will be classified as a capacity increase of **40%** (**70%** for Standard Cars). Turbo **anti-lag** systems are not permitted. A **rotary** engine will be subject to a **50%** increase in capacity.

In the event of a dispute concerning the compliance of a vehicle to the regulations for the event, the onus will be on the competitor to prove the compliance to the organisers. Any vehicle may switch to Category F.

SAFETY REQUIREMENTS: All vehicles must comply with safety regulations as per the 2024 Motorsport UK Yearbook section J5.1 to J5.21.17 and sections S10 to S15.2.1 (specific regulations for Sprints & Hill Climbs) and the relevant sections of K as referred to in section S. Vehicles with electrical systems above 60V DC must display a sign beside competition numbers and all batteries require "EC" markings (Motorsport UK ref. J5.14.8 & J5.14.9).

9. COMPETITION CAR LOG BOOKS will be required for all Hill Climb and Sprint cars unless the car is currently taxed and insured for use on the public highway and competing at the event in a road-going class (S9.1.7).
10. SILENCERS: All vehicles including single seaters must be fitted with silencers at all times and these must reduce the noise produced to below the maximum quoted in the Motorsport UK Yearbook J5.17. An Environmental Scrutineer will attend and will test all vehicles at two-thirds maximum RPM - this will be carefully monitored. Any car exceeding the noise limits (including random drive-by tests) will be excluded.
11. COMPETITION NUMBERS. These must be shown on **both** sides of the car. Numbers on cars not transported by trailer **MUST** be removed before leaving the venue (S9.2.6). The organisers will not supply Numbers. Where a car is double entered the numbers not applicable must be completely masked or removed, if this is not done the Motorsport UK time keepers may not give a time and in that case a re-run will not be permitted.
12. TIMING: All vehicles must be fitted with a **timing strut** in accordance with Motorsport UK Technical Regulation S10.9. The vertical timing strut should be mounted so that no other part of the vehicle may cut the beam first, even if the vehicle is not square to the line. This is **mandatory**.
13. STARTING: Cars will start singly when the preceding competitor has cleared the agreed safe point on the course. The starting signal will be a green light. Timing will be automatic and will commence when the timing beam is cut. A competitor who makes a premature start or rolls forward into the timing beam will not be entitled to a re-run. The start line marshals will not touch or hold any vehicle to prevent its creeping forward.
14. FINISH: Will be indicated by a 'FINISH' board. Timing stops when the finish light beam is cut. Competitors should slow to 10 mph asap after the finish ...and always under 10mph when travelling in the paddock area.
15. COURSE: The course is approximately 1.66 miles on smooth tarmac. Each driver will have one practice run and four timed competition runs. If circumstances prevent any drivers completing a third or fourth run, the awards will be based upon all the previously completed timed competition runs.
16. MARKERS: Times will incur a 5 second penalty for each and every course marker struck during a timed run (or carried forward into a re-run). No time will be awarded to competitors who take the Wrong Route or put Four Wheels Off the indicated course. All course marshals will be Judges of Fact for penalties (G10).
17. PRACTICE: Competitors will have one timed practice run. No convoy run will be given; competitors are expected to walk the course prior to the drivers briefing. No other practice or tyre warming will be permitted.
18. At the discretion of the organisers a driver can enter more than one car (S9.2.3). A car may be entered twice by two different drivers (D17.1), swapping safely in the paddock between runs.

19. DRIVERS ATTIRE: Applicable Motorsport UK approved Helmets, Overalls and Gloves must be worn by drivers while on track (see table below). All items must be inspected & approved at scrutineering (S9.2.1 and K9-K14).

DRIVER ATTIRE	Standard Cars	Road Cars	Modified, Sports Libre and Racing Cars
HELMET	Mandatory (K10.3.1)	Mandatory (K10.3.1)	Mandatory (K10.3.1)
OVERALLS	Optional, but arms & legs must be covered	Required (K9.1.2)	FIA 1986 Standard 8856-2000 or 8856-2018
GLOVES & BOOTS K14.3(d)	Recommended	Recommended	Flame resistant required

20. AWARDS will be presented as follows:

Fastest Time of the Day	A Special Award
Fastest in each class	First Class Award (<i>Not given in the class that contains FTD</i>)
Second Fastest in each class (min. 5 cars).	Second Class Award
Third Fastest in each class (min. 7 cars).	Third Class Award
Spirit of the Event	A Special Award
Best Presented Car (Chosen by Scrutineers)	A Special Award

At the discretion of the organisers, a Special Award will be given to a HCAAC member for Best Performance and presented at the annual awards evening. All other awards must be collected at the end of the Meeting. Classes may be amalgamated at the discretion of the organisers; the minimum for each class is 3.

21. RESULTS: Individual times will be displayed live near the finish and provisional results will be published online throughout the day. Protests and appeals should be in accordance with H35, C5 and C6. Results will be published online during the event and remain on our Noticeboard www.key-guru.com/HethelSprintApril2024

You agree that we may wish to publish your personal data as part of the event results. We may pass such information to Motorsport UK, national governing body and/or the FIA or any affiliated organisation for the purpose of insurance, safety, licences or combined with other events. Results include (but are not limited to) name, club affiliation, competition times, occupation and age category.

22. ENTRIES: The maximum is 110; the minimum is 50. Competitors should aim to fully complete an online entry: <https://mtc1.uk/Entry/HethelSprint24/EntryForm.php>
23. ENTRY LIST opens on Friday 23rd February 2024 at midday and closes at midday Friday 5th April 2024, or when the maximum entry has been reached, whichever is sooner.
24. ENTRY FEE is £125.00 (HCAAC members £120.00) e-paid to Bank Sort Code 20-29-37 (Account No. 70460753) The online entry system will automatically give you a temporary admin number until the closing date, after which a seeded entry list will be published showing the competition number for sticking on your car. An email will automatically confirm if your entry has been received or needs more detail. Any entries unable to be completed online should be sent to the event secretary: **Pete Walters**, North Place, Aston, Hertfordshire SG2 7EX. Tel: 07831 316236. Email: pete@3arc.com
25. PASSES: Admission is by a uniquely numbered pass only. This will be emailed to each competitor (together with final instructions), for printing or displaying on a smartphone at the entrance gate. If another pass is needed for a vital helper (e.g. starter battery person for single-seaters), full details must be submitted ...so we can trace who is on site.
